

Directions to Become a Member of the Cheltenham Math Wiki

- Go to <http://sdct-math.wikispaces.com>. Note: there is no “www” in the address!
 - There are two different login screens that may appear now depending on your browser and settings.
 - Choose option #1 through #4 below depending on what screen you see and whether you already have a Wikispaces account. (If you have used the Cheltenham Reading or Curriculum wikis before, then you do have a Wikispaces account and will use the same account information for this site.)
1. **If the top line says “Please Sign In” and you already have a Wikispaces account:**
 - a. Sign in with your username and password in the provided spaces. *(If you see a third space for “Email address,” skip to option #3 below.)*
 - b. Click “Request Membership”
 2. **If the top line says “Please Sign In” and you do *not* have a Wikispaces account:**
 - a. Click on the “Create an account” link near the top of the screen.
 - b. Follow the directions online to “Join Now” by creating a Username, Password, and by providing your Cheltenham email address. Click “no” to indicate that you do not wish to create a Wiki. Then click the “Join” button.
 - c. You will be directed to a new page stating that access is restricted. Click “Request Membership”. *If you do not see the Request Access button, you may need to enter the website address in your browser again (<http://sdct-math.wikispaces.com>).*
 - d. Next, go to your email and open a message sent to you from Wikispaces. It may take a few minutes for the email to arrive. Click on the link in the email to confirm your address so you can receive site notifications. (If the email does not arrive within 10 minutes, it may be trapped in your spam filter.)
 3. **If the top line says “Please Create an Account” and you already have a Wikispaces account:**
 - a. Click the link *below* the Join button that reads “Already have an account? Sign in.”
 - b. Sign in with your username and password in the provided spaces.
 - c. Click “Sign In.”
 - d. You will be redirected to a new page stating that access is restricted. Click the “Request Membership” button.
 4. **If the top line says “Please Create an Account” and you do *not* have a Wikispaces account:**
 - a. Create a Username and Password, and enter your Cheltenham email address. Then click the “Join” button.
 - b. You will now see a page stating that access is restricted. Click “Request Membership”.
 - c. Next, go to your email and open a message sent to you from Wikispaces. It may take a few minutes for the email to be sent from Wikispaces. Click on the link in the email to confirm your address. *(If the email does not arrive within 10 minutes, it may be trapped in your spam filter.)*
 5. Within 24 hours, your account will be approved so that you can access the site at <http://sdct-math.wikispaces.com> ☺
 6. If you have trouble, please email or call Gerald Aungst (gaungst@cheltenham.org or 215-881-6327) for immediate help.
